# Computational Thinking

## Lesson Assessment

Look at the problems below. Circle the matching sections and underline the places where there are differences. Once you've done that, write a template to create more phrases with the same pattern.

The first one has been done for you.

1) Triangles have three sides.                      Squares have four sides.  
 \_\_\_\_\_ have \_\_\_\_\_ sides.  
 \_\_\_\_\_

2) It's fun to read books.                                      It's fun to read magazines.
