Think about a robot. What is it supposed to do? What does it look like?

Draw your robot on paper. When you're done, answer the three questions below on separate pieces of paper, then put them in the correct envelopes.

1. My robot's name is ________.
2. My robot's height is ________ (don't forget units!).
3. My robot's primary purpose is ________.

Example:

robotName = Elijah
numUnitsTall = 27 feet
purpose = being awesome
